From requirements for acceptance to adapted supervision

Enrolment

Candidate scheme-owners may apply
by email to

kwaliteitssystemen@nvwa.nl

(stating: name of the scheme, structure and scope,
contact(person) and address)

Assessment of schemes

A. Determination of requirements for acceptance

B. Procedure for acceptance

1. Administrative assessment and verification

1.1 Enrolment, self-assessment, intake, investigation and evaluation (when positive: provisionally accepted)

1.2 Verification in practice: we carry out random checks (statistically relevant) of FBO's (reality checks)

2. Plan for monitoring performance of scheme

3. Plan for adaptation of supervision

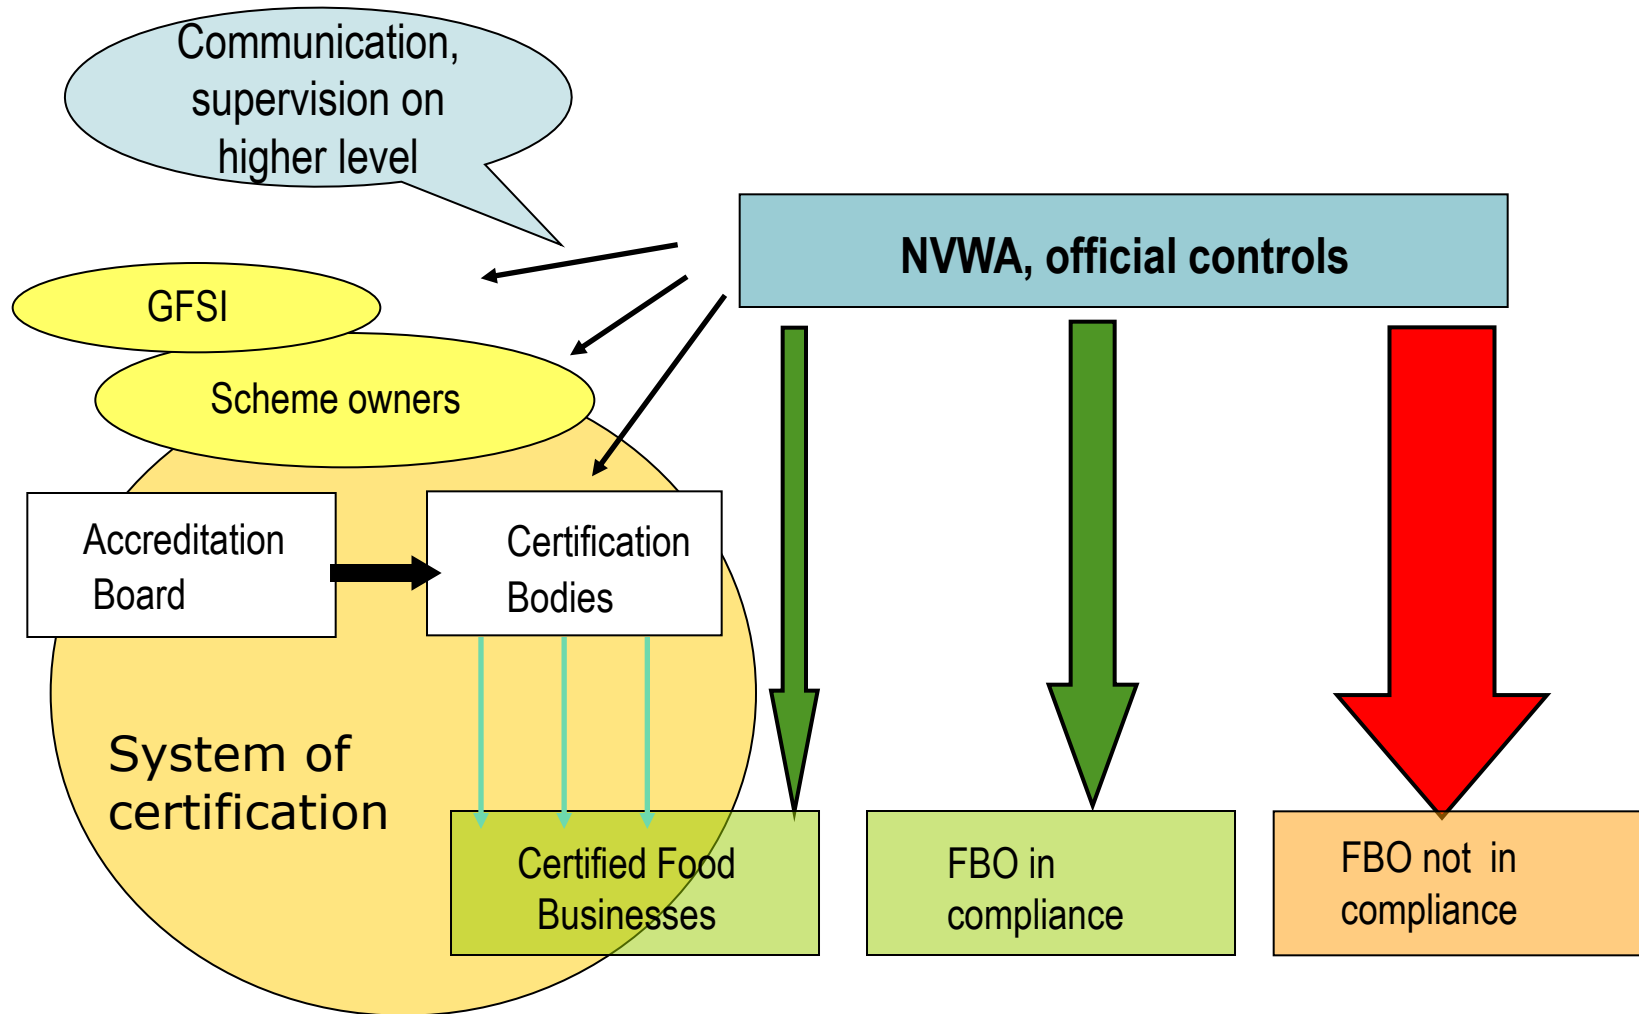

Assessment of schemes

C. Phase after acceptance

4. Monitoring performance of scheme
5. Supervision according to adaptation decided on
6. Periodic reassessment of acceptance of scheme (based on findings from C.4 and C.5)

Accepted schemes and adapted supervision
